14. [redacted] Guy McConnell, Senate Appropriations Committee staff, called and said the Chairman would like to have General Walters appear before the Intelligence Operations Subcommittee at 10 a.m. on Wednesday, 23 May. He added that the Chairman also planned to invite Ehrlichman, Haldeman, Dean, Young, and Pat Gray to appear at a later date. After checking with General Walters, I advised McConnell that he would be available for the Wednesday hearing.
